
CRIMTECH'S NEW DRAFTING AND DOCUMENTATION SUPERVISOR

August 15, 2007; Red Deer Alberta. **Craig Nykyforuk**, President of **Crimtech Services Ltd.**, is pleased to announce that **Ashton Richter** has been promoted to Drafting and Documentation Supervisor. Mr. Richter will be directly responsible for overseeing the operation of the Drafting and Documentation Department.

Mr. Richter graduated from SIAST Palliser Campus, Moose Jaw, Saskatchewan in 2001. Since that time he has worked exclusively in the Oil and Gas Industry in the disciplines of Survey, Electrical, Structural and Mechanical drafting. Ashton became an ASET member in 2003 as a CET in Piping Design. Mr. Richter hired on with Crimtech Services Ltd. in 2005 in the Engineering and Drafting Department.

Crimtech Services Ltd. is a provider of production equipment, engineering, and drafting services in the petroleum industry. The Red Deer-based company was founded in 1993 and has grown to over 100 people between professional, manufacturing and field service staff.
